作为博士山最大的商居综合体之一的万豪城将搭载685个专用停车位，横跨9层楼宇空间。其中地下1-2层停车场为商业专用，提供200+专为商业业主及访客保留的独立车位，让Trio万豪广场拥有无与伦比的载客能力，告别找不到车位的窘境。现已提前布局的智能化软硬件设施将进一步提升万豪广场的商业价值，拉动区域内经济发展。

Being one of Box Hill's largest mix-used development, Whitehorse TRIO will be equipped with more than 680 car-parking spaces across multiple floors of the building. Among them, the easily accessible basement 1-2 parking floors are exclusively for commercial use, providing 200+ reserved independent parking spaces for commercial owners and visitors, maximizing the passenger-carrying capacity of the Whitehorse TRIO business district. This car park is embedded with intelligent software and hardware facilities which further enhances the commercial value of Whitehorse Square.

KEY FEATURES:

Free Wifi Connection
at All Basement Floors

Numbers of Bigger Car Parking Space
(i.e. wider & longer)

Well Managed Security
CCTV + Boom Gates

Parcel Lockers
Situated in B1

Sustainable Electric
Charging Bays
